

W.

Emma Wendelstam

UX-designer

Im currently studying UX-design at a polytechnic institute in Gothenburg. My passion is to create useful and beautiful products. I think good UX is when the designer understand the user and their needs.

EDUCATION

IT- Högskolan UX-design

Courses: Interface design & prototypes, Agile methods, Business benefit with design and User-centered design

16-08-2021 - 01-06-2023

EC Eductaion

Courses: Javascript & Html, CSS and SEO

20-01-2021 - 20-06-2021

University of Gothenburg Preschool-teacher

18-01-2012 - 01-06-2015

PROFFESIONAL EXPERIENCE

UX-design Intern

Lynk&Co 2022

I was a part of the Light & Magic HMI team and my primary job was to present design propositions for different cars. I also had a goal to learn more about 3D animations in Blender and Adobe After Effects.

Preschool Teacher

Öxeryds & Östra Keillers 05-01-2020 - 20-12-2021 & 12-08-2015 - 03-06-2019

I contributed with being highly committed to all aspects of the job. I showed leadership, was a problemsolver and supportive co-worker to my colleagues and I always had multiply projects at the same time.

Brand Supporter

Retail United 2013-2015

Being a brand supporter I was in charge of marketing different products, such as Sony Xperia Z and Bio-Oil. My role was to inform and show customers the products and support the brand.

Receptionist

Salong Aqua 2011-2012

I was in charged of the staffs schedules plus inventory and purchase. My key role was to structure and organize.
