## Emma Wendelstam

Hi!

My name is Emma and I am currently studying to become a UX-designer at a polytechnic institute in Gothenburg. In August we start our first internship 15-08-22 - 07-10-22 and I am very interested in your company.

Besides that I really enjoy studying UX-design. I also love spending time with my family. I like to be active and do a lot of things but I also love being at home with my family. I have my roots in Västerås but I've lived in Gothenburg the last 10 years. I have a special love for UI-design and my new night-time hobby is creating different projects in Figma. My dreamjob would be somewhere that I can grow in my profession and get to work with both UI and UX-design and create positive user experiences for everyone.

I would love to learn more about your company and how you work so I really hope that I will hear from you.

Thank you for taking the time to read my letter and don't hesitate to ask if you have any questions.

Best regards

/ Emma
